TITLE I—PERSIAN GULF WAR VETERANS

SEC. 101. SHORT TITLE.

This Act may be cited as the “Persian Gulf War Veterans’ Benefits Act”.

SEC. 102. FINDINGS.

The Congress makes the following findings:

(1) During the Persian Gulf War, members of the Armed Forces were exposed to numerous potentially toxic substances, including fumes and smoke from military operations, oil well fires, diesel exhaust, paints, pesticides, depleted uranium, infectious agents, investigational drugs and vaccines, and indigenous diseases, and were also given multiple immunizations. It is not known whether these servicemembers were exposed to chemical or biological warfare agents. However, threats of enemy use of chemical and biological warfare heightened the psychological stress associated with the military operation.

(2) Significant numbers of veterans of the Persian Gulf War are suffering from illnesses, or are exhibiting symptoms of illness, that cannot now be diagnosed or clearly defined. As a result, many of these conditions or illnesses are not considered to be service connected under current law for purposes of benefits administered by the Department of Veterans Affairs.

(3) The National Institutes of Health Technology Assessment Workshop on the Persian Gulf Experience and Health, held in April 1994, concluded that the complex biological, chemical, physical, and psychological environment of the Southwest Asia theater of operations produced complex adverse health effects in Persian Gulf War veterans and that no single disease entity or syndrome is apparent. Rather, it may be that the illnesses suffered by those veterans result from multiple illnesses with overlapping symptoms and causes that have yet to be defined.

(4) That workshop concluded that the information concerning the range and intensity of exposure to toxic substances by military personnel in the Southwest Asia theater of operations is very limited and that such information was collected only after a considerable delay.

(5) In response to concerns regarding the health-care needs of Persian Gulf War veterans, particularly those who suffer from illnesses or conditions for which no diagnosis has been made, the Congress, in Public Law 102-585, directed the establishment of a Persian Gulf War Veterans Health Registry, authorized health examinations for veterans of the Persian Gulf War, and provided for the National Academy of Sciences to conduct a comprehensive review and assessment of information regarding the health consequences of military service in the Persian Gulf theater of operations and to develop recommendations on avenues for research regarding such health consequences. In Public Law 103-210, the Congress authorized the Department of Veterans Affairs to provide health care services on a priority basis to Persian Gulf War veterans. The Congress also provided in Public Law 103-160 (the National Defense Authorization Act for Fiscal Year 1994) for the establishment of a specialized environmental medical facility for the conduct of research into the possible health effects of exposure to low levels of hazardous chemicals, especially among Persian Gulf veterans, and for research into the possible health effects of battlefield exposure in such veterans to depleted uranium.

(6) In response to concerns about the lack of objective research on Gulf War illnesses, Congress included research provisions in the National Defense Authorization Act for Fiscal Year 1995, which was passed by the House and Senate in September 1994. This legislation requires the Secretary of Defense to provide research grants to non-Federal researchers to support three types of studies of the Gulf War syndrome. The first type of study will be an epidemiological study or studies of the incidence, prevalence, and nature of the illness and symptoms and the risk factors associated with symptoms or illnesses. This will include illnesses among spouses and birth defects and illnesses among offspring born before and after the Gulf War. The second group of studies shall be conducted to determine the health consequences of the use of pyridostigmine bromide as a pretreatment antidote enhancer during the Persian Gulf War, alone or in combination with exposure to pesticides, environmental toxins, and other hazardous substances. The final group of studies shall include clinical research and other studies on the causes, possible transmission, and treatment of Gulf War syndrome, and will include studies of veterans and their spouses and children.

(7) Further research and studies must be undertaken to determine the underlying causes of the illnesses suffered by Persian Gulf War veterans and, pending the outcome of such research, veterans who are seriously ill as the result of such illnesses should be given the benefit of the doubt and be provided compensation benefits to offset the impairment in earnings capacities they may be experiencing.

SEC. 103. PURPOSES.

The purposes of this title are—

(1) to provide compensation to Persian Gulf War veterans who suffer disabilities resulting from illnesses that cannot now be diagnosed or defined, and for which other causes cannot be identified;

(2) to require the Secretary of Veterans Affairs to develop at the earliest possible date case assessment strategies and definitions or diagnoses of such illnesses;

(3) to promote greater outreach to Persian Gulf War veterans and their families to inform them of ongoing research activities, as well as the services and benefits to which they are currently entitled; and

(4) to ensure that research activities and accompanying surveys of Persian Gulf War veterans are appropriately funded and undertaken by the Department of Veterans Affairs.

SEC. 104. DEVELOPMENT OF MEDICAL EVALUATION PROTOCOL.

(a) **UNIFORM MEDICAL EVALUATION PROTOCOL.**—(1) The Secretary of Veterans Affairs shall develop and implement a uniform and comprehensive medical evaluation protocol that will ensure appropriate medical assessment, diagnosis, and treatment of Persian Gulf War veterans who are suffering from illnesses the origins of which are (as of the date of the enactment of this Act) unknown and that may be attributable to service in the Southwest Asia theater of operations during the Persian Gulf War. The protocol shall include an evaluation of complaints relating to illnesses involving the reproductive system.

(2) If such a protocol is not implemented before the end of the 120-day period beginning on the date of the enactment of this Act, the Secretary shall, before the end of such period, submit to the Committees on Veterans' Affairs of the Senate and House of Representatives a report as to why such a protocol has not yet been developed.

(3)(A) The Secretary shall ensure that the evaluation under the protocol developed under this section is available at all Department medical centers that have the capability of providing the medical assessment, diagnosis, and treatment required under the protocol.

(B) The Secretary may enter into contracts with non-Department medical facilities for the provision of the evaluation under the protocol.

(C) In the case of a veteran whose residence is distant from a medical center described in subparagraph (A), the Secretary may provide the evaluation through a Department medical center described in that subparagraph and, in such a case, may provide the veteran the travel and incidental expenses therefor pursuant to the provisions of section 111 of title 38, United States Code.

(4)(A) If the Secretary is unable to diagnose the symptoms or illness of a veteran provided an evaluation, or if the symptoms or illness of a veteran do not respond to treatment provided by the Secretary, the Secretary may use the authority in section 1703 of title 38, United States Code, in order to provide for the veteran to receive diagnostic tests or treatment at a non-Department medical facility that may have the capability of diagnosing or treating the symptoms or illness of the veteran. The Secretary may provide the veteran the travel and incidental expenses therefor pursuant to the provisions of section 111 of title 38, United States Code.

(B) The Secretary shall request from each non-Department medical facility that examines or treats a veteran under this paragraph such information relating to the diagnosis or treatment as the Secretary considers appropriate.

(5) In each year after the implementation of the protocol, the Secretary shall enter into an agreement with the National Academy of Sciences under which agreement appropriate experts shall review the adequacy of the protocol and its implementation by the Department of Veterans Affairs.

(b) RELATIONSHIP TO OTHER COMPREHENSIVE CLINICAL EVALUATION PROTOCOLS.—The Secretary, in consultation with the Secretary of Defense, shall ensure that the information collected through the protocol described in this section is collected and maintained in a manner that permits the effective and efficient cross-reference of that information with information collected and maintained through the comprehensive clinical protocols of the Department of Defense for Persian Gulf War veterans.

(c) CASE DEFINITIONS AND DIAGNOSES.—The Secretary shall develop case definitions or diagnoses for illnesses associated with the service described in subsection (a)(1). The Secretary shall develop such definitions or diagnoses at the earliest possible date.

SEC. 105. OUTREACH TO PERSIAN GULF VETERANS.

(a) IN GENERAL.—The Secretary of Veterans Affairs shall implement a comprehensive outreach program to inform Persian Gulf War veterans and their families of the medical care and other benefits that may be provided by the Department of Veterans Affairs and the Department of Defense arising from service in the Persian Gulf War.

(b) NEWSLETTER.—(1) The outreach program shall include a newsletter which shall be updated and distributed at least semi-annually and shall be distributed to the veterans listed on the Persian Gulf War Veterans Health Registry. The newsletter shall include summaries of the status and findings of Government sponsored research on illnesses of Persian Gulf War veterans and their families, as well as on benefits available to such individuals through the Department of Veterans Affairs. The newsletter shall be prepared in consultation with veterans service organizations.

(2) The requirement under this subsection for the distribution of the newsletter shall terminate on December 31, 1999.

(c) TOLL-FREE NUMBER.—The outreach program shall include establishment of a toll-free telephone number to provide Persian Gulf War veterans and their families information on the Persian Gulf War Veterans Health Registry, health care and other benefits provided by the Department of Veterans Affairs, and such other information as the Secretary considers appropriate. Such toll-free telephone number shall be established not later than 90 days after the date of the enactment of this Act.

“(2) became manifest to a degree of 10 percent or more within the presumptive period prescribed under subsection (b).

“(b) The Secretary shall prescribe by regulation the period of time following service in the Southwest Asia theater of operations during the Persian Gulf War that the Secretary determines is appropriate for presumption of service connection for purposes of this section. The Secretary’s determination of such period of time shall be made following a review of any available credible medical or scientific evidence and the historical treatment afforded disabilities for which manifestation periods have been established and shall take into account other pertinent circumstances regarding the experiences of veterans of the Persian Gulf War.

“§ 7101A. Members of Board: appointment; pay; performance review

“(b) Members of the Board (other than the Chairman and any member of the Board who is a member of the Senior Executive Service) shall, in accordance with regulations prescribed by the Secretary, be paid basic pay at rates equivalent to the rates payable under section 5372 of title 5.

“(c)(1)(A) The Chairman shall establish a panel to review the performance of members of the Board. The panel shall be comprised of the Chairman and two other members of the Board (other than the Vice Chairman). The Chairman shall periodically rotate membership on the panel so as to ensure that each member of the Board (other than the Vice Chairman) serves as a member of the panel for and within a reasonable period.

“(B) Not less than one year after the job performance standards under subsection (f) are initially established, and not less often than once every three years thereafter, the performance review panel shall determine, with respect to each member of the Board (other than the Chairman or a member who is a member of the Senior Executive Service), whether that member’s job performance as a member of the Board meets the performance standards for a member of the Board established under subsection (f). Each such determination shall be in writing.

“(2) If the determination of the performance review panel in any case is that the member’s job performance as a member of the Board meets the performance standards for a member of the Board established under subsection (f), the Chairman shall recertify the member’s appointment as a member of the Board.

“(3) If the determination of the performance review panel in any case is that the member’s job performance does not meet the performance standards for a member of the Board established under subsection (f), the Chairman shall, based upon the individual circumstances, either—

“(A) grant the member a conditional recertification; or

“(B) recommend to the Secretary that the member be noncertified.

“(4) In the case of a member of the Board who is granted a conditional recertification under paragraph (3)(A) or (5)(A), the performance review panel shall review the member’s job perform-

ance record and make a further determination under paragraph (1) concerning that member not later than one year after the date of the conditional recertification. If the determination of the performance review panel at that time is that the member's job performance as a member of the Board still does not meet the performance standards for a member of the Board established under subsection (f), the Chairman shall recommend to the Secretary that the member be noncertified.

“(5) In a case in which the Chairman recommends to the Secretary under paragraph (3) or (4) that a member be noncertified, the Secretary, after considering the recommendation of the Chairman, may either—

“(A) grant the member a conditional recertification; or

“(B) determine that the member should be noncertified.

“(d)(1) If the Secretary, based upon the recommendation of the Chairman, determines that a member of the Board should be noncertified, that member's appointment as a member of the Board shall be terminated and that member shall be removed from the Board.

“(2) Upon removal from the Board under paragraph (1), a member of the Board (other than the Chairman) who was a career or career-conditional employee in the civil service before commencement of service as a member of the Board shall revert to the civil service grade and series held by the member immediately before the appointment of the member to the Board.

Such a member may be removed by the Secretary, upon the recommendation of the Chairman, for any other reason as determined by the Secretary.

“(2) In the case of a removal of a member under this section for a reason other than job performance that would be covered by section 7521 of title 5 in the case of an administrative law judge, the removal of the member of the Board shall be carried out subject to the same requirements as apply to removal of an administrative law judge under that section. Section 554(a)(2) of title 5 shall not apply to a removal action under this subsection. In such a removal action, a member shall have the rights set out in section 7513(b) of that title.

“(f) The Chairman, subject to the approval of the Secretary, shall establish standards for the performance of the job of a member of the Board (other than the Chairman or a member of the Senior Executive Service). Those standards shall establish objective and fair criteria for evaluation of the job performance of a member of the Board.

“(g) The Secretary shall prescribe procedures for the administration of this section, including deadlines and time schedules for different actions under this section.”.

(2) The table of sections at the beginning of such chapter is amended by inserting after the item relating to section 7101 the following new item:

“7101A. Members of Board: appointment; pay; performance review.”.
